COMMUNICATION REGARDING EXAMINER INTERVIEW

The Interview Summary that accompanied the office action mailed September 19, 2006 included the statement that "[a]greement was reached that the amendments filed in the RCE on 08/01/06 overcame the combined reference of Gupta-Shobatake." The undersigned appreciates the statement that "[a]greement was reached" (which it was) but the nature of the agreement (from the undersigned's perspective) was that the combined reference of Gupta-Shobatake was simply misapplied -- irrespective of the amendments that were included in the RCE. This point was made in the RCE submission itself ("[t]hese amendments are not dictated by the prior art"), as well as by the arguments presented during the Interview. The undersigned does not believe there was an agreement or understanding to the effect that it was the particular amendments filed in the RCE -- as opposed to the defects in the references themselves -- that undermined the then-pending rejection.

These comments are provided simply to avoid any presumption that the RCE amendments were dictated by the Gupta-Shobatake prior art, which they were not.

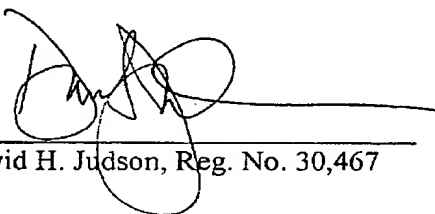

#15

PATENT

The remainder of the Interview Summary accurately reflects the nature of the exhibit that was shown, the claims that were discussed, the specific prior art that was discussed, and the other pertinent matters that were discussed. Once again, the Examiner wishes to thank Examiner Chang for the courtesies extended during the Interview.

Respectfully submitted,

By:
